Use literary terminology accurately. • Support ideas with quotations. • Analyse language, structure and context using evidence.
Careers	Throughout Year 8, students build the analytical, communication and critical thinking skills needed across a wide range of careers. Studying *Animal Farm* develops an understanding of politics, leadership, ethics and propaganda, linking to careers in politics, journalism, law and public service. The Gothic Reading and Writing unit develops creative writing, descriptive language and storytelling skills, supporting careers in writing, publishing, journalism, screenwriting, media, game design and the creative industries. *Small Island* encourages empathy and cultural awareness while exploring Britain's diverse history, linking to careers in teaching, social work, community engagement, healthcare and public services. Across all units, students strengthen transferable skills such as communication, collaboration, evaluation, resilience and problem-solving, preparing them for future education and employment.					

WELL-SEQUENCED **CONTEXUALISED/INCLUSIVE** **AMBITIOUS**
